MEETING OF THE MERRIMACK COUNTY DELEGATION AT THE COUNTY FARM AT BOSCAWEN ON FEBRUARY 11, 1929.

The meeting was called to order by Dr. Sargent, Chairman, who announced the death of Ervin A. Griffin of Boscawen and John H. Rolfe of Concord, members of the Delegation. On motion of Mr. J. L. T. Shaw of Chichester, it was voted that a Committee be appointed to draw up resolutions on the death of the foregoing members to be put into the record and the following members were appointed for this Committee:

John L. T. Shaw

William A. Lee

Henry L. Young.

The following Committee was appointed to look over the budget of estimated expenditures of the County Commissioners and report to the delegation:

John L. T. Shaw

F. T. Connor

W. A. Lee

H. G. Martin

F. L. Holmes.

Dinner was served by Mr. and Mrs. Lorden to the Delegation as the guests of the County Commissioners. After dinner the following report was made by the Committee to examine the budget and the following budget was presented:

Concord, N. H.

February 11, 1929.

"The Committee having received the budget of estimated expenses from the County Commissioners, and after careful consideration of the same unanimously report to the delegation with the recommendation that the same be accepted and adopted."

J. L. T. Shaw

Concord, N. H.

February 4, 1929.

"To the Members of the Merrimack County Delegation, Legislative Session of 1929.

Gentlemen:

We herewith submit a budget of estimated expenses of Merrimack County for each of the years 1930 and 1931.

Salaries County Officers	\$ 6,500.00
Expenses County Officers	450.00
Care and supplies for Court House	10,000.00
Jury pay rolls	8,000.00
State vs. pay rolls	4,500.00
Counsel Fees	200.00
Court Stenographer, etc.	1,700.00
Clerk Superior Court	2,200.00
Sheriff and deputies (paid by Court)	5,400.00
County Farm	35,000.00

Support of poor not on Farm	40,000.00
Aid to Blind	1,650.00
Soldiers' Benefits	2,900.00
Farm Bureau	6,000.00
Miscellaneous Payments	500.00
	<hr/>
	\$125,000.00

It should be noticed that nothing is included in the budget for the care of Jail Prisoners or for the interest payments on Temporary Loans issued in anticipation of taxes. This was not done for the reason that it is estimated that the interest on the Jail fund of \$70,000.00 will care for both these items.

We would call your attention to the item of \$6,000.00 included in the budget for the use of the Merrimack County Farm Bureau, this being the same amount as voted for the present year by the County Convention of 1927.

As the budget as herewith submitted is based on the actual expenses of the year 1928, it would seem to be as near correct as it is possible to estimate.

At nearly every session of the Legislature new laws seem to be enacted or old ones amended which operate to put additional burdens on the County. There seems to be no way to meet these conditions except by increasing appropriations. The increasing costs of the Courts, care of dependent and neglected children in homes and orphanages, better care for the dependent poor, aid to the needy blind, larger appropriations for Farm Bureau Work, all seem to make larger appropriations absolutely necessary. Owing to this situation and to the unforeseen industrial conditions prevailing in our cities and manufacturing towns, which made it impossible for many to procure employment, it appears very evident that the appropriation as made for the year 1929 will not be sufficient to meet the necessary expenses.

In order that Merrimack County may maintain its sound financial condition and at the same time make suitable provision for the proper maintenance of all its various departments, we would respectfully recommend for your consideration that the sum of \$15,750.00 be appropriated in addition to the present appropriation of \$109,250.00, thus making the total appropriation for the year \$125,000.00. We would also respectfully recommend that an appropriation of like amount be made for each of the year 1930 and 1931.

The County Report, now in the hands of the printer, shows that the County had no outstanding bonds or notes at the close of the year and that there was a balance in the hands of the Treasurer of \$3,434.04. Although there were some bills that had not been presented for payment due cities and towns for care of County poor during 1928, we feel that this can be taken care of this year, providing the appropriations as suggested are made.

In consideration of the fact that Merrimack County has the lowest per capita county tax of any county in the state, and its sound financial condition is such as to allow it, we believe it should continue to meet its current obligations on the "pay as you go" plan, and thus continue to keep out of debt.

Respectfully submitted,

ARTHUR H. BRITTON,
JOHN G. McQUILKIN,
JOSEPH G. COLBY,

Commissioners of Merrimack County."

On motion of Mr. Lee of Concord, the sum of \$15,750.00 was voted to be appropriated in addition to the sum of \$109,250.00 which was appropriated by the 1927 County Convention for the year 1929.

On motion of Mr. Lee of Concord, it was voted that the sum of \$125,000.00 be appropriated for the year 1930.

On motion of Mr. Lee of Concord, it was voted that the sum of \$125,000.00 be appropriated for the year 1931.

The following is the report of the Committee appointed to draw up resolutions on the death of Ervin A. Griffin and John A. Rolfe:

"It having pleased Almighty God to remove from this delegation two of its members in the midst of their labors in the 1929 session of the New Hampshire Legislature, BE IT RESOLVED, that the Merrimack County Delegation hereby expresses its deep regret at the passing of John H. Rolfe of Concord and Ervin A. Griffin of Boscawen.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to the families of the deceased.

J. L. T. Shaw,
W. A. Lee,
H. L. Young."

It was unanimously voted that the Delegation extend their thanks to Mr. and Mrs. Lorden for the bounteous repast given the Delegation.

It was voted that the Delegation give a rising vote of thanks to the County officers for the manner in which the affairs of the County had been carried on during the previous two years.

It was unanimously voted that the Delegation adjourn to the call of the Chairman.

A True Record Attest

L. F. WHITEMORE,

Clerk.

Report of County Commissioners

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of Superior Court, Sheriff, Jailor, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1929.

COUNTY FARM

The number of people cared for at the Farm during the year 1929 was somewhat larger than during recent years. This, together with the fact that a large amount of work in the way of repairs and permanent improvements has been done, has made the year a most active one. We feel that the county is most fortunate in having the continued devoted and efficient service of Mr. and Mrs. J. M. Lorden as Superintendent and Matron, who for some years have rendered such efficient service in caring for those under their care.

The demand for more room in the main building is getting urgent and will soon require attention.

We would call your attention to the report of the Superintendent on another page, for the full detailed statistics of the Farm during the year 1929.

EXPENSES OF MAINTENANCE

Amount of orders drawn against
the Farm for the year 1929 \$61,855.96

Inventory personal property,	
Jan. 1, 1929	36,951.88

	\$101,485.43

Inventory personal property,

Cash receipts at farm for 1929	23,272.91
Amount due the farm, Jan. 1,	
1930	4,116.60
	<hr/>
Balance against the farm	\$ 36,459.38

Total number of weeks board and care furnished,	
not including help, boarders or visitors	6,280
Average net cost a week, per capita	\$5.71

POOR AWAY FROM FARM

The amount of relief furnished under this head was larger than in some years past, a good part of which was caused by the increased demand for the care of dependent children. The care of children is not only an expensive but a necessary and perplexing problem.

JAIL PRISONERS

The number of committments to Jail for the so-called major offenses and those to the House of Correction for minor offenses was about the same as last year. Jail prisoners are cared for at the Manchester Jail and the House of Correction prisoners at Gerrish.

FINANCES OF THE COUNTY

The Treasurer's report shows the finances of the county to be in a most healthy condition. At the close of the

year there were no outstanding bonds or notes, and there was the sum of \$70,000 at interest in savings banks and a cash balance in the hands of the Treasurer of \$961.21. A detailed report of all receipts and expenditures follows.

VALUATION OF COUNTY PROPERTY

County Farm and Court House	\$210,000.00
Personal property at Farm	37,636.54
Personal property at Court House	6,500.00
Cash on deposit in Savings Banks	70,000.00

In presenting this report to the citizens of the county, we desire to extend our sincere thanks and appreciation to the many organizations, officers and people of our county who by word and deed have rendered much valuable assistance.

Respectfully submitted,

ARTHUR H. BRITTON,
JOHN G. McQUILKIN,
JOSEPH G. COLBY,

County Commissioners.

We have examined the foregoing account of John L. T. Shaw, Treasurer of Merrimack County, and find the same correctly cast and properly vouched.

ARTHUR H. BRITTON,
JOHN G. McQUILKIN,
JOSEPH G. COLBY,
Commissioners of Merrimack County.

Auditors' Report

We hereby certify that we have audited the accounts of the county commissioners, county treasurer, and superintendent of the county farm, from January 1, 1929 to January 1, 1930 and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices and have been used for county purposes.

ENOS K. SAWYER,
ELWIN L. PAGE,

County Auditors.

To the Auditors:

We hereby certify that the net floating indebtedness of the county on January 1, 1930, to the best of our knowledge and belief, does not exceed five hundred dollars, aside from the amount due cities and towns for the support of County poor and soldiers, and for the salaries of the county officers for the last quarter.

ARTHUR H. BRITTON,
JOHN G. McQUILKIN,
JOSEPH G. COLBY,

Commissioners of Merrimack County.

Merrimack ss., January 27, 1930.

Personally appeared Arthur H. Britton, John G. McQuilkin and Joseph G. Colby, and made oath to the above statement.

I. EUGENE KEELER,

Justice of the Peace.

Report of the Chaplain

To the Commissioners of Merrimack County:

It is a pleasant duty to report my work for a seventh time. The year has been a good one, peace and the greatest harmony prevailing.

Mr. and Mrs. Joseph M. Lorden are still at the helm and have never turned down a good suggestion that meant for the best interests of all. The home of the County in every department is well managed. The chapel services have been well attended. The assistants in this department have been faithful. Mr. and Mrs. Joseph Williams assist us by leading us in sacred song on the violin and piano. We are grateful to them and others who have been of great assistance.

Others are speaking a good word for our twenty services held in the chapel each year and persuade their friends to come. The chaplain's schedule of preaching appointments has been carried out, two services a month on the first and third Sunday afternoons at 3 o'clock. It is an attentive audience and the speaker is sure of words of sincerest appreciation.

The last year will be remembered for extra services which were helpful to all who attended. Several times the Salvation Army from Concord came to the Farm bringing good cheer and a note of joy to the depressed and discouraged. Flower Mission Day was observed June 9 and a special program with a live darky preacher and good talent from Franklin. Armistice Day was celebrated by the talent that was easily found in and about the farm. Rev. and Mrs. Herbert R. Whitelock of Manchester during their fifteen days stay in Boscawen spent an afternoon at the farm. Their messages in sermon and

song were of the same evangelistic type that had a spiritual grip upon all who heard them. At the County W. C. T. U. convention, held in Boscawen last September, Mrs. Sylvia F. James reported that she had carried to the Farm, seven different programs during the year.

The chaplain has officiated at eleven funeral services. This last year the youngest and aged were taken home. These services, although brief at times, are made Christian by the spirit of one requesting that such shall always be the case. Such a spirit will give splendid tone to any institution.

Christmas at the Farm was an ideal day. For some days the preparation for a successful celebration of Christmas had been carried on. A sumptuous turkey dinner was served to all connected with the Farm. The chaplain and Mrs. McIntyre, the three commissioners and their wives, Mr. and Mrs. Charles C. Moore, the latter the new president of W. C. T. U. of the County and Mrs. Sylvia F. James whose untiring efforts helped to make possible the success of the day, were in attendance. When this party of visitors with Superintendent and Matron, Mr. and Mrs. Lorden, looked into the women's and men's dining rooms, it was a scene not soon to be forgotten; as all were wreathed in smiles and manifested the greatest happiness and contentment. A blessing was voiced by the chaplain over all the tables. The customary Christmas Union gift boxes were distributed by the president and her assistants, to the sick and shut-ins.

The usual program was much enjoyed by the inmates and their friends, being certainly up to the high standard.

Commissioners Arthur H. Britton, John G. McQuilkin and Joseph G. Colby carried out the role of Santa Claus and in a happy-playful way distributed presents from two well-laden trees and no one was forgotten. A happy day long to be remembered!

The Chaplain would not neglect to mention two other splendid occasions when invited to the Farm. The Delegation meeting held February 11, where I had the privilege of meeting our chosen representative men of our county. This occasion of greatest joy, became saddened by the burial hour of Hon. Ervin A. Griffin, representative of Boscawen. The meeting of September 19, at the Farm, was full of interest. To meet commissioners, Superintendents, matrons and county officers from all over the state, was a delightful occasion. At the noon hour, as we conversed at the tables and remembering the questions asked and comments made as to the conditions of affairs, it would seem as if we might again be proud of this institution that we call the "Home of the County".

Respectfully submitted,

DANIEL McINTYRE.

Report of the County Solicitor

To the Commissioners for the County of Merrimack:

In compliance with the requirements of the Public Laws I submit herewith my report for the year ending December 31, 1929.

The term of office of the county solicitor in Merrimack County begins on January 1 whereas in all other counties except Coos the term begins on April 1. I have, therefore, had a full year in the office. In addition to more than the usual number of serious crimes committed during the early part of the year there remained for disposition the matter involving the office of the secretary of state. Therefore, when the April term of the superior court convened an unusually large number of cases were presented to the grand jury. Eighteen persons were indicted for various crimes, as follows: breaking and entering, nine; adultery, three; larceny, three; statutory offenses, two, embezzlement, one.

Among the more serious offenses which resulted in imprisonment in the state prison were two cases of breaking and entering of a large number of summer camps on Pleasant Lake in Elkins in which one offender was sentenced to state prison for from two to three years and the other for from three to four years. Two individuals, a man and a woman who stole an automobile in Henniker, received sentences of not less than one year and one day and not more than three years. One person who pleaded guilty to the theft of cattle from three different farmers was sentenced to state prison for from three to five years. In the embezzlement case the offender was sentenced to state prison for not less than one year and one day and not more than three years. In none of these cases was

it necessary to have a jury trial with the resultant expense to the county.

At the October term of the superior court the grand jury returned indictments against twelve persons, as follows: breaking and entering and larceny, five; larceny, four; embezzlement, two; automobile law, one. All of these cases with one exception were disposed of without trial. The sentence for the most of these offenders was to the house of correction.

During the summer of 1929 there were more than the usual number of motor vehicle accidents resulting in death. These cases were brought to the attention of the grand jury and with the exception of one the evidence was not sufficient to warrant an indictment.

I have attempted to enforce the prohibition law impartially and with as much vigor as the resources at my command permitted. I believe the result of my efforts has been fairly satisfactory to the majority of the citizens of the county. The fines turned over to the county as the result of the prosecution of offenses against the prohibition law are substantially \$3,000 in excess of those of the year 1928.

The Motor Vehicle law continues to be a source of many violations. However, its enforcement has been ably carried out by Inspector Jonas Welcome. I wish to take this opportunity to acknowledge my appreciation of the successful efforts of the Motor Vehicle Inspector for this district.

Respectfully submitted,

WILLOUGHBY A. COLBY.
